Sault Youth Basketball League (SYBL), presented by Steel City Slam

SYBL OBJECTIVES

To provide opportunities for youth to become familiarized with the game of basketball or enhance their existing basketball skill level by promoting individual skill development, team concepts, and most importantly having fun, while accomplishing all of it.

Specifically we will be targeting:

- *Shooting*
- *Decision Making*
- *Footwork*

We will be playing 'mini games' (3 on 3, and 4 on 4) as well as some full-court games)

This ensures:

- *Maximal touches by each player*
